

Learning Conversations & Senior Options Info Term Three 2020

Learning Conversations with all subject teachers will take place on Thursday 17th September from 9.00am - 7.30pm. Students and whānau will also have an opportunity to speak with staff about Senior Options for 2021. The Senior Option Choice selection will be made available through the student/parent portal on our website. The Senior Option Handbook will be made available on our website. Please have a discussion with your son/daughter about options and bring any queries/questions you may have to your appointments with subject teachers.

Bookings will open online from today. We ask that you allow 5 minutes between bookings as this will allow you sufficient time to get to your meetings on time. To successfully book online, it is helpful to have a list of teachers you wish to see. (N.B. for Junior students, we encourage you to book your child's current Collab teachers for Term 3). You will receive an email confirming your booking times.

If you are unable to book online, please contact Michelle Rankin in the School Office (376 8344) and she will make the bookings on your behalf. Please ensure you have a list of teachers you wish to see and your preferred times.

If you require special arrangements due to mobility, please contact Michelle Rankin to arrange, or if you wish to speak to a year level Dean, or our Future Pathways advisors, Mrs. Deana Richards or Mrs. Rachel Ireland, please phone the College office and make a separate appointment.

Learning Conversations are being held in the School Hall and Cafeteria. Please collect your child's progress report from the café before your first appointment. The appointments are scheduled for 5 minutes, but if you think you may need more time, please book two time slots or arrange a separate meeting. You may also like to request a Zoom or phone interview for another day if this suits you better.

To book times to see your child's teachers go to www.schoolinterviews.co.nz and enter the following code: j6f4s

We look forward to sharing your child's progress with you.
